An Affection of the Liver,
and the Regulator of the Liver
and its Organs.

SIMMONS

LIVER REGULATOR

I would frequently throw up bile, I received a

small quantity of Liver Regulator and it is

now a great blessing to me. The other day, when

my doctor prescribed Liver Regulator, I told him

it would be of great service to me.

During the last 12 months I was very

ill, and I was compelled to give up my

business, but I am now well again.

It is a great blessing to me to be well again.

THE NEW TREATY WITH CHINA

Measures to Come Before Congress this Week—But
fals for the Smithsonians Institute—Port
Gandy Reservation Boundaries

to be fully protected and to be given every ad-

vantage and facility China can furnish. Several

other concessions of minor importance are also

made. The Chinese minister demands that his

country will never adapt themselves to this

country and will never assimilate with America.

It is to be hoped that this will not be the case.

China's entry into the Pacific will be a great

danger to the United States.
